

Proclamation

WHEREAS, the 11 member City of San Francisco Board of Supervisors in their official government position unanimously declared the National Rifle Association (NRA) a "domestic terrorist organization"; and

WHEREAS, millions of law-abiding American NRA members were labelled terrorists; and

WHEREAS, the First Amendment to the Constitution guarantees the freedom of association and right to petition the government for a redress of grievances; and

WHEREAS, the Second Amendment to the Constitution says in its entirety "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed"; and

WHEREAS, the Fifth Amendment to the Constitution guarantees our right to due process; and

WHEREAS, the Fourteenth Amendment to the Constitution guarantees equal protection of the laws; and

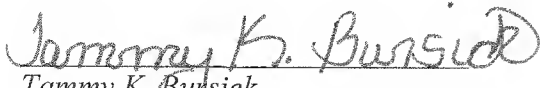

WHEREAS, San Francisco's official government action threatens all of these fundamental Constitutional rights; and

WHEREAS, the National Rifle Association is our staunch defender of these fundamental Constitutional rights and not a domestic terrorist organization.
